# **Lone Star Neurology Financial Policies**

I agree to assign insurance benefits to **Lone Star Neurology**. We bill insurance companies as a courtesy for our patients and make every effort to inform patients of network status, however, patients are responsible for confirming with their insurance carrier if they deem our providers as in or out of network. I understand that if my contractual agreement with my insurance provider requires me to pay a copayment, deductible, and/or coinsurance, I must do so at the time of service to receive treatment.

I acknowledge full financial responsibility for services rendered by **Lone Star Neurology** and authorize transfer of all unpaid amounts to me, which includes, but is not limited to, Co-pays, Deductibles, Co-Insurance, Pre-existing Clauses, excluded conditions and/or termination of coverage. I agree to pay all legal fees including attorney and court fees as well as collection costs in the event of default payment of charges that are my financial responsibility. I further authorize and request all insurance payments be made directly to **Lone Star Neurology** and authorize said assignee to release all information necessary, including medical records, to secure payment.

I understand that my attending physician(s) have disclosed to me, at the time of initial contact and at the time of referral (i) his or her affiliation with ancillary healthcare provider(s) to whom I, the patient, may be referred, and (ii) that he/she will receive, directly or indirectly, remuneration for the referral to such provider. Iunderstand that I, the patient, have the right to choose the providers of my healthcare services and/or products and, as such, I have the option of receiving ancillary healthcare services from any ancillary healthcare provider and/or facility that I choose.

#### **Changes in Insurance Coverage**

If you have a change in insurance coverage, it is your responsibility to make sure we have all of the pertinent information on file including effective dates. Any medical expenses not covered by your insurance plan will be billed to you.

#### **Returned Checks**

A service charge of \$10 will be added to all checks returned for Non-Sufficient Funds.

#### FMLA/PAPERWORK POLICY

Any FMLA, disability, or other paperwork requiring physician review and completion is subject to a minimum of \$50 fee per form. Please allow up to 2 weeks for this paperwork to be completed.

#### **Cancelled Appointments**

We require twenty-four hours notice for cancellation of all doctor visits. It is the policy of Lone Star Neurology to bill a cancellation fee to a patient that does not show or cancel at least 24 hours in advance of a procedure, EMG, test, or appointment. This is to ensure that our treatment team is using their time to diagnose and treat patients that are in need of our services. A patient that arrives 20 minutes past the time of the appointment will be considered a "no show" for the purposes of this policy. Fees for no show appointments will be as follows:

Office Appt. \$50.00

Please sign below indicating you have read and understand all policies above.

#### MEDICATION REFILL POLICY

In order to provide excellent quality care, Lone Star Neurology adheres to a strict prescription refill policy. Medication refills are best addressed at the time of your visit with our physician, allowing you to update our physicians on any changes in your medication regimen or advise of any new or ongoing symptoms.

•Lost, misplaced, or stolen prescriptions will not be replaced.

•Refilling of controlled substances will require an office appointment.

•Refills will only be addressed during regular office hours Monday - Thursday. Refill requests made Friday after 12 PM will not be processed until the following Monday.

•Approval of a refill may take up to 3 business days. I understand that it is my responsibility to contact the clinic in a timely manner. •It is my responsibility to follow the medication in the dosage as prescribed. Early refill requests will not be approved.

•It is my responsibility to maintain my scheduled appointments with my provider. Repeated no shows and cancellations will result in a denial of refills.

•Early refills due to extenuating circumstances will be processed at the physician's discretion.

#### CONTROLLED SUBSTANCE POLICY

Controlled substance medications can be useful but have a high potential for misuse and are closely controlled by local, state, and federal governments. They are intended to relieve pain, thus improving function and/or ability to work. If Lone Star Neurology prescribes controlled substance medications to help manage pain and/or anxiety, I agree to the following conditions:

I understand that if I refuse the recommendation of my doctor to seek the council of a high risk pain medication specialist when deemed necessary during my treatment, my medication may be discontinued.

I agree to comply with random urine, blood, or other testing to document the proper compliance and use of medication. I understand that I am responsible for all costs related to these screenings.

I understand that driving a motor vehicle may not be allowed while taking controlled substance medications and that it is my responsibility to comply with the laws of the state.

I understand that the long-term advantages and disadvantages of chronic opioid use have yet to be scientifically determined, and my treatment may change at any time. I understand, accept, and agree that there may be known (physical and psychological dependence) and unknown risks associated with the long-term use of controlled substances. I understand that my physician will advise me of any advances in this field and will make treatment changes as needed.

Our practice utilizes Electronic Medical Records (EMR) and electronically prescribes medications when possible in order to minimize delays at the pharmacy, provide low-cost formulary options, and to reduce the chance of medication error. In order for us to provide this service, we must have your permission to have the pharmacy clearinghouse communicate your current medications with our office.

\_\_\_ Yes, my physicians at Lone Star Neurology may crosscheck for interactions and may have access to my medication profile.

\_\_\_\_ No, my physicians at Lone Star Neurology may not electronically crosscheck for interactions and have access to my medication profile.

I understand that if I violate any of the above conditions, my prescription for controlled substance medications may be terminated immediately. If the violation involves obtaining controlled substance medications from another individual, or the concomitant use of non-prescribed illicit drugs, I may be reported to all my physicians, medical facilities and appropriate authorities.

I have reviewed the above and have had a chance to ask questions about the same
